

Fruit Tree Complex

Foliar fertilizer for orchard crops

Uses

A foliar fertilizer for a wide variety of orchard crops including top fruit (apples, pears), stone fruit (cherries, apricots, peaches).

When crops are growing fast and conditions do not favour nutrient uptake through the roots (due to, for example, compaction, water-logging, disease, poor soil nutrient status etc) then a well formulated foliar feed like Fruit Tree Complex can provide a rapid boost in the macro and micro nutrients that the crop needs and maintain the crops yield potential.

Benefits

Solufeed Fruit Tree Complex provides:

- A balanced blend matching nutrient supply in the product with typical in-season nutrient deficiencies in the plant.
- Instantly soluble for ease of application through tractor powered sprayers.
- Formulation for crop safety.
- Produced in England by ISO 9001 accredited manufacturer using the purest, top quality raw materials for crop-safe, reliable and consistent results.

Chemical/physical data

Typical Analysis:	Total Nitrogen (N)	6.4
	Of which	
	NO ₃ -N	0.9
	NH ₄ -N	1.5
	Ureic-N	4.0
	Phosphorus pentoxide P ₂ O ₅ (P)	3.0 (1.3)
	Potassium oxide K ₂ O (K)	3.2 (2.6)
	Magnesium oxide MgO (Mg)	13.1 (7.9)
	Sulphur as SO ₃ (S)	35.88 (14.3)
	Boron (B) soluble in water	0.04
	Iron (Fe) chelated by EDTA	1.35
	Manganese (Mn) soluble in water	0.04
Zinc (Zn) soluble in water	2.31	
Analytical Method:	Available on request	
Appearance:	Blended powder	
Solubility in water:	Fully water soluble	

Directions for use

Application rates: 5 kg per hectare in at least 200 litres of water per ha.

Directions: Apply regularly, as required, up to six times per year, starting as soon as there is sufficient foliage to absorb the spray. The minimum interval between sprays is two weeks. Early sprays are of the greatest benefit. A core programme would comprise of at least 3 treatments. Do not apply during the flowering period of the crop as insects may be deterred from pollination.

Non-cropping young orchards under establishment: Apply as required but at least 3 applications during the growing season.

General information

Packaging: 10Kg

**Harmonised
Tariff No:** 31052000
